

Easement Clearing Notification

Pin Oak Circle Subdivision (North Fork Creek Basin)

The Department of Watershed Management (DWM) recently started a vegetation clearing project on the County's easements at "North Fork Creek Basin".

The DWM contractor is currently working on the easement at Cravey Drive and Hawthorne Drive in the Briarmoor Manor subdivision. This project consists of tree cutting and removal with brush and vegetation clearing of easements. The contractor will continue working on the easement at Land Lot 233 until September 24, 2010. To view an aerial map of the affected areas, please visit the DWM website at www.dekalbwatershed.com under "Projects."

For more information regarding this project, please contact Lyonel François of DeKalb County Watershed Department at 770-414-2398.
