

*Heritage Heights Sanitary Sewer Replacement  
Project  
Community Meeting*

**Meeting Date & Time:  
Wednesday, October 29, 2008  
7:00 pm**

*Please join the DeKalb County Department of Watershed Management (DWM) for a community meeting to discuss the Heritage Heights Sanitary Sewer Replacement. The project will begin in the upcoming weeks to remove and replace the existing sanitary sewer pipeline located at the South Fork Creek sub-basin between Heritage Heights subdivision and Willivee Place Road. Ultimately, this work will result in better protection of the residents and the environment.*

**Meeting Location:  
Mason Mill Recreation Center  
1340 McConnell Drive, Suite B
